Team Selection Policy & Guidelines

This document has been produced to clarify the team selection process.

It is club policy to support our coaches in any reasonable decision they make. The club requires our coaches to adhere to the following guidelines as far as possible.

Age Groups U17's, U19's and open aged

The club aspires to provide players the opportunity to play in the highest level within the league. The clubs divisional allocation is determined by the performance of the senior team in the previous season and / or the number of divisions.

The selection of the side is the responsibility of the appointed coaching panel. This is to be based on the coach's judgment and perception of the player's abilities, potential, development, attitude, commitment and the need for team balance.

Age Group's U 19's

All players eligible to play in under 19's shall do so unless directed by the senior coaching panel.

Where two sides are formed in the same age group and in different divisions or league. Coaches are empowered to select teams. This is to be based on the coach's judgment and perception of the player's abilities, potential, development, attitude, commitment and the need for team balance

The senior coach will assist the coaches to select the sides if required

The club appreciates that there may be extenuating circumstances, and that some players may wish to be in a particular side. Such requests should be made through the coaches and team managers of the respective teams where consideration will be given to the requests.
